Describe the general nature of the variance:

---

---

---

---

---

---

---

Justification for the Variance:

For a variance to be issued the applicant shall answer the following questions.

What special conditions exist that are peculiar to the land or building in question.

---

---

---

---

---

---

---

---

How would a literal interpretation of the existing zoning regulation deprive the applicant of rights enjoyed by other homeowners?

---

---

---

---

---

---

---

---

Reference Codes:

- B: Applicant
- C: Co-applicant
- D: Deceased
- E: Deceased in service
- G: Applicant's only name

Do the special conditions result from any previous applications of the applicant?

---

---

---

---

---

---

Is the requested variance the minimum required variance that will allow the applicant a reasonable use of the land or buildings?
