Dear Ms. Julie Graham-Price,

The Townships of Bloomfield, McArthur, Richland, Stokes and Washington in Logan County, Ohio met in a Special Joint Meeting on January 6, 2025 at 1:00 PM as advertised in our local newspaper to discuss and vote on our Ad Hoc Member.

The five Townships voted on and approved a motion for **William (Bill) Goslee**, to be our Ad Hoc person for the five Townships. This individual will ensure that all required information from the OPSB will be followed explicitly according to the Ad Hoc Guidelines you sent to me last Friday, January 3rd.

I am sending you this letter signed by the Trustees from the five Townships who attended today's meeting. There are some Trustees who are out of town and couldn't sign so you will see some signatures missing.

You had mentioned you needed at least one letter by January 9, 2025 to meet the deadline and advised the rest of the letters from the individual Townships can be emailed to you later. I would imagine they may arrive this week and probably no later than next week.

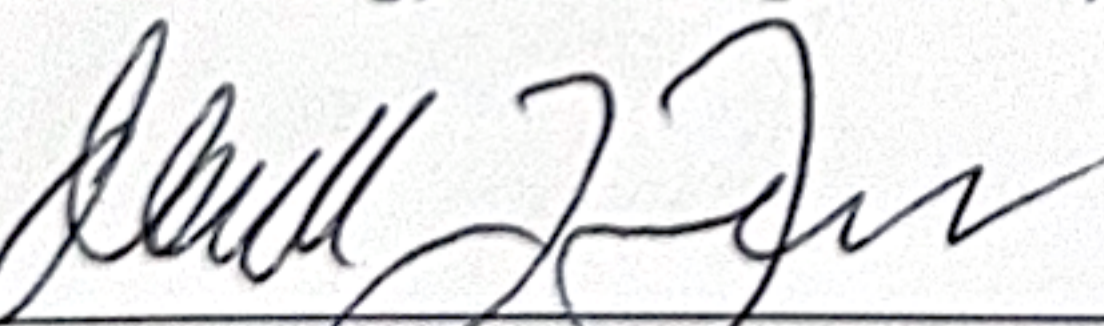

Kindest Regards,

Lisa Miller – (937) 935-4598
